Subject: Teaching in the summer

Dear Paula Johnson,

My English teacher showed me your advertisement for summer sports teachers. I would like to work with you in the summer.

I am an English and PE teacher major at the University of Szeged. I can both write and speak English fluently. I have a lot of teaching experience as well. I have to give lessons in schools and the children usually like me.

I play ball games and tennis and I do a lot of water sports like swimming and kayaking. I love beach volley ball and surfing. Last summer I taught in a summer sports camp in Szeged and all the students, aged 7-15, liked me.

To become a better teacher, I would like to visit the USA and learn more about the culture and meet people there. I think, working in your camp would be an excellent opportunity for that, so I hope I can join your team.

I'm looking forward to hearing from you soon. Please e-mail me at sportsguy@gmail.com.

Yours faithfully,

Jack Smith
